

1. Download de GOLO CareCare app

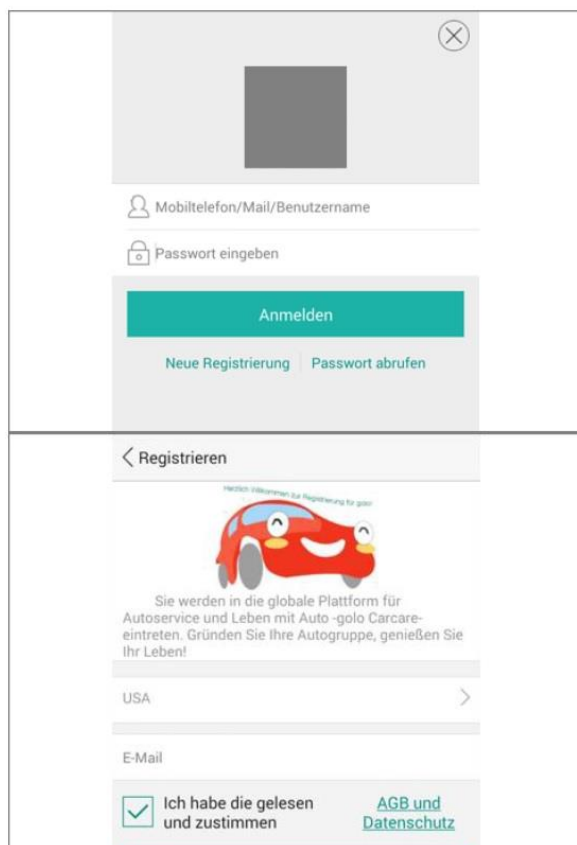

Methode 1: Scan onderstaande QR-Code

Methode 2: Download de App van de App-store, Play Store (Android) en App-Store (iOS)

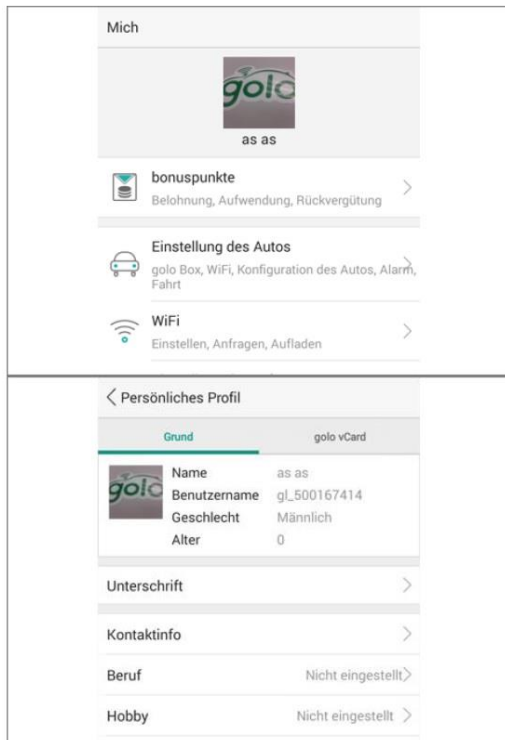

2. Registreren en aanmelden

Na installatie dient u zich bij de GOLO App te registreren. Na registratie wordt het systeem automatisch aangemeld.

The image shows two screenshots of the GOLO app interface. The top screenshot is the login screen, featuring a grey header with a close button (X), a placeholder for a profile picture, and input fields for 'Mobiltelefon/Mail/Benutzername' and 'Passwort eingeben'. Below these fields is a teal 'Anmelden' button, and at the bottom are links for 'Neue Registrierung' and 'Passwort abrufen'. The bottom screenshot is the registration screen, titled 'Registrieren'. It includes a red cartoon car icon, a welcome message: 'Sie werden in die globale Plattform für Autoservice und Leben mit Auto-golo Carcare-eintreten. Gründen Sie Ihre Autogruppe, genießen Sie Ihr Leben!', a country selection dropdown set to 'USA', an 'E-Mail' input field, and a checked checkbox for 'Ich habe die gelesen und zustimmen' with a link to 'AGB und Datenschutz'.

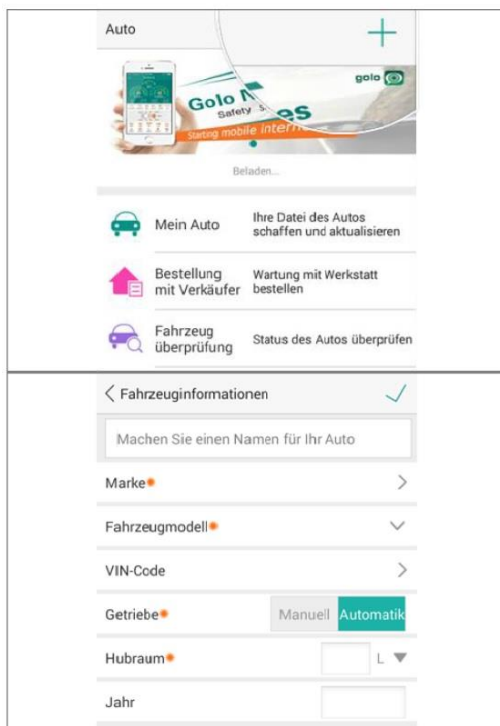

3. Persoonlijke gegevens aanvullen

Na aanmelding kunt u uw persoonlijke gegevens in [My] – [My Profil] aanvullen, zoals bijv. profielfoto, gebruikersnaam, ID Tag, regio etc.

4. Auto data instellen

Vul de vereiste gegevens in (merk, model, cilinderinhoud, bouwjaar etc.)

5. Start

Na registratie ontvangt u de GOLO-functies zoals: Begeleiding, SOS, Activiteit, Delen, Contacten, Car Club etc.
